WELCOME

Your range, *our formulas.*

Rivamora is a private label cosmetics manufacturer in India. This catalogue lists every ready formula we make for brand owners, importers and distributors: 504 formulas across 16 categories, each available under your brand name.

Each product has a reference code. Send the codes you like on WhatsApp and we reply with samples, pack options and a quotation. Any formula can be adjusted for fragrance, colour, claims or your market's rules.

Minimum order, made simple

One 150 kg batch per formula: about 1,500 bottles of 100 ml or 3,000 jars of 50 g. One batch can be split across two pack sizes, so a new brand can launch a full range without large minimums.

- Start-up brands
- Established labels
- Salons and spas
- Pharmacies
- Import distributors

Documents with every order

- Certificate of analysis for every batch
- Specification and full INCI list
- Stability data and safety data sheet
- Manufacturing licence, GMP and ISO 22716 certificates
- Free sale certificate and certificate of origin
